Public Works - 1959

Total paved miles of public streets, 300.591, with 3.81 miles of new residential streets paved during 1959. Miles of storm and sanitary sewers, 469.703, with 9.71 miles of sanitary sewers and 7.31 miles of storm water drains constructed in 1959. Reconstruction of .71 mile of city streets and construction of .7 mile of highway under state aid. All sewage is treated and purified before discharge into the Connecticut River. Public waste and garbage collections given to all residents and businesses, with downtown collections nightly and collections from the cellars of residences.

Telephone - (as of Nov. 1, 1959)

There were 102,394 telephones in the three exchanges which serve Springfield, West Springfield, Indian Orchard and Agawam.

Telephone rates: one party line resident line, $6.00 plus tax; 2 party line, $4.90 plus tax; 4 party line $4.05 plus tax. Business lines, (1) measured business line, local service, $8.80 plus tax, allowing 80 calls; 5¼¢ each additional call; (2) straight business line, $16.30 monthly rate plus tax.

Water - 1959

Rates: First 5,000 cubic feet, 24 cents per 100 cubic ft., 5,001 to 60,000 cubic feet, 16 cents per 100 cubic ft. Over 60,000 cubic feet, 9 cents per 100 cubic ft.

Service: Capacity of water works, 45 to 60 million gallons per day with average daily consumption of 32.8 million gallons; total capacity, 25 billion gallons. Present supply by gravity could adequately serve three times the present population served.

SPRINGFIELD GAS LIGHT RATES, JANUARY 1, 1960

Household Rate — First 100 cu. feet $1.15; next 400 cu. feet at 32½ cents per 100 cu. feet; excess .25 cents per 100 feet.

Water Heat and Refrigeration — First 500 cu. feet at $2.45; next 500 feet at .25 cents per 100 cu. feet; anything above is 16 cents per 100 cu. feet.

Heating Rate — First 500 cu. feet at $2.45; next 500 at 25 cents per 100 cu. feet. Next 2,500 at 16 cents per 100 cu. feet. First 60 hour use of demand at 15½ cents per 100 cu. feet. Over 60 hours use of demand at 12½ cents per 100 cu. feet.

Service — The area is served by two natural gas pipelines. In December, 1959 there were 777 miles of mains and over 66,000 meters

WESTERN MASSACHUSETTS ELECTRIC LIGHT RATES, JANUARY 1, 1960

Residential Schedule A-1 — First 12 KWH or less, $1.00; next 88 KWH at 3½ cents per KWH; balance over 100 KWH is 2.8 cents per KWH. As of Jan. 1, 1959 the typical 250 KWH residential bill was $8.29.

Optional Residential Schedule A-H — The standard energy rate is the first 400 KWH or less computed at rate of available residential schedule. All over 400 KWH at .021 cents per KWH. Inducement energy rate--all KWH's used between 11:30 p.m. and 7:00 p.m. or such other hours as the company may deem advisable but not less than 7½ hours daily shall be at the rate of .013 cents per KWH.

Water Heating — for off-peak storage water heating--first 50 KWH, 3 cents per KWH; over 50 KWH, 1 cent per KWH.

Service — Three bulk supply stations in City directly interconnected with 115,000 volt underground cable which is connected with 115,000 volt overhead cable surrounding City. 65,300 meters.

FINANCIAL SITUATION

Earnings and savings in this area are high. Cash savings, savings banks, and savings and loan associations in the Springfield Area were estimated by Future Springfield, Inc. to be over $1,000 per capita in 1959. Moreover, the prospects remain good for the continuing availability of risk capital in the Springfield Area.

Springfield has four commercial banks, five savings banks, and three savings and loan associations. The city was chosen as the logical location for the establishment of the district branch of the Federal Farm Credit System covering New England, New York and New Jersey, and comprising the Federal Land Bank, various Production Credit Associations, the Federal Intermediate Credit Bank, and the Springfield Bank for Co-operatives.

MASSACHUSETTS MUTUAL LIFE INSURANCE COMPANY 1295 STATE STREET, SPRINGFIELD

The Massachusetts Mutual Life Insurance Company was founded in 1851 and is one of the oldest companies in the country. It now has 107 general agencies, 34 group insurance offices, and 10 mortgage loan and real estate offices in key cities throughout the United States.

With assets of over $2.3 billion, Massachusetts Mutual today ranks 10th among the more than 1,400 life insurance firms in the nation. The company's life insurance sales have more than trebled in the past decade and currently total over a billion dollars annually. Massachusetts Mutual has more than $7 billion of insurance in force, protecting more than one million persons, and in excess of $2 billion has been disbursed to policyholders and beneficiaries since the company was organized. Described as "particularly a policyholder's company," Massachusetts Mutual enjoys a nationwide reputation for the quality of its policy contracts and service and its outstanding professional sales force.

Springfield Fire and Marine Insurance Company and Monarch Life Insurance Company together write all major forms of insurance. The two companies became affiliated in 1958 and are now known as Springfield-Monarch Insurance Companies. Springfield Fire and Marine was incorporated in 1849 and has paid dividends to stockholders continuously since 1867. Monarch Life was founded in 1901 and is one of the nation's leading writers of non-cancellable, guaranteed continuable health and accident insurance with a guaranteed premium rate. Other companies in this Springfield-Monarch organization are New England Insurance Company of Springfield, and the newly-formed Springfield Life Insurance Company, Inc. of Brattleboro, Vermont.

The combined companies have consolidated assets of over $200 million. Combined premiums in force on an annual basis total over $90 million.

These two insurance organizations (Massachusetts Mutual and Springfield-Monarch) employ over 2,800 persons in the local area.

This digest of the history of Springfield's two largest insurance companies is intended to indicate the scope of one of the city's white collar industries. The city's claim of diversification does not apply alone to diversified manufacturing. We have maintained a healthy balance between diversified manufacturing and diversified service industries of which insurance is a fine example.

Perhaps the best indication of the basic economic health of the city comes from the Massachusetts Equalization Commission which reported, in 1956, that Springfield, with 40,000 fewer persons and 25% less land area, had more total property valuation on an equalized basis than did Worcester, a city with an equal degree of industrialization.

Springfield College Memorial Field House, dedicated in February, 1948, to Springfield College Students and Alumni who died in World War II.

THE CROSSROADS OF NEW ENGLAND

Springfield is the Western Gateway to New England. The city's effective location serves to enhance the area as a transportation, industrial and trade center.

In transportation the greater Springfield Area is bisected by two major highways and serviced by two major commercial airports and three major railroads. Tourists drive on excellent roads to Springfield, to the rest of Massachusetts and to the other New England states. The construction of U.S. Route 91 will eventually place Springfield and the surrounding area along a continuous expressway from Philadelphia to Montreal.

For over one hundred years Springfield has been characterized by widespread industrial diversification and outstanding skill among its mechanical trade workers. Of more recent origin has been Springfield s development as a trading center.

The city attracts persons from the greater Springfield Area who seek ample shopping facilities, excellent stores, fine restaurants and hotels. Particularly in recent years the city has grown as a wholesale as well as a retail center. In the greater Springfield Area are also located the Eastern States Farmer's Exchange, the Hampden County Improvement League and other agencies for agricultural improvement in New England.

The Springfield Area has an ample share of fine hotels and motels and each year the city of Springfield becomes headquarters for approximately 36,000 convention delegates. The Greater Springfield Chamber of Commerce operates a Convention and Visitors Bureau which actively solicits convention business. For over sixty years it has functioned as a counsel and guide to those seeking information and advice about Springfield. Future Springfield, Inc. is another research agency which makes reliable studies based on full time research on Springfield and the greater Springfield Area.

THE CITY TODAY

Springfield was settled in 1636 as a colonial outpost by a band of men led by the explorer and entrepreneur, William Pynchon. The outpost became a town in 1636 and was incorporated as a city in 1852. The smaller towns of West Springfield, Longmeadow, East Longmeadow, Ludlow, Agawam and the city of Chicopee eventually grew up adjacent to the original settlement.

The city and the rest of the Springfield-Holyoke Metropolitan Area have grown to a population of approximately 425,000 in 1955. Excellent turnpike routes make Springfield accessible to Boston (90 miles), New York City (126 miles), and Albany (94 miles).

BUSINESS SECTION — CITY OF SPRINGFIELD

PUBLIC SERVICE INSTITUTIONS

Springfield is fortunate in having public utility organizations which aid in the development of the community. Under the municipality there operates a Springfield Water Works which provides the community with excellent drinking water piped to the city from the eastern foothills of the Berkshires. An excellent reservoir system of great capacity provides a flow adequate to care for the city for many years to come.

Springfield has long been recognized as a community in which the educational facilities are of an unusually high standard. The excellent public schools' program leads the pupil through the primary grades and junior high schools into one of four high schools of excellent standing and character. In Classical High School the curriculum is of an essentially academic character and provides for the continuance of education in colleges and universities. In Technical High School courses are offered leading directly to industrial work or to higher engineering colleges. In the High School of Commerce the pupil is prepared thoroughly for a business career, and in the Springfield Trade High School the pupil is well prepared for skills in industrial employment.

SPRINGFIELD TRADE HIGH SCHOOL

THE QUADRANGLE

The Quadrangle, the historical and educational center of Springfield, is located in the heart of the city. Here the latest books, scientific and historical exhibits, paintings and sculpture can be enjoyed by the public. The Museum of Fine Arts, the Museum of Natural History (with the Seymour Planetarium), the George Walter Vincent Smith Art Museum, the City Library and the Connecticut Valley Historical Museum are all located in the Quadrangle.

The Springfield Area is stimulating culturally for those who follow the arts. There are varied and numerous painting, dancing and writing groups. Springfield has two symphony orchestras (the Springfield Symphony Orchestra and the Young People's Symphony) and a number of singing groups and choruses. The City Library provides a wide selection of books, pictures, phonograph records as well as many excellent special services for adolescents and children. The city is also served by excellent colleges: Springfield College, American International College, Western New England State College and St. Joseph's Normal College. There are also many churches and community civic organizations which serve the needs, beliefs and interests of Springfield citizens.

Springfield has dwelling units for about 50,000 families and has long been known as a community o. home lovers. The heterogeneous population lives in a peaceful community. Abundance of water power in the valley has caused the erection of enormous hydroelectric stations which provide reasonable electrical rates for home owners.

FARM CREDIT ASSOCIATIONS

Since 1917 Springfield has been the northeast headquarters for a cooperative farm credit system which now comprises the Federal Land Bank of Springfield, the Federal Intermediate Credit Bank of Springfield, and the Springfield Bank for Cooperatives. These credit organizations are known as the Farm Credit District of Springfield and they serve the six New England States, New York and New Jersey. As of June 30, 1958, their combined assets were nearly $200,000,000 with outstanding loans to northeast farmers and their cooperatives of about $175,000,000.

INDUSTRIAL SITUATION

The most outstanding characteristic in the industrial growth of Springfield and the surrounding area for over 150 years has been widespread industrial diversification. In 1959, thirty-six manufacturers in the Springfield-Holyoke Metropolitan Area employed 500 or more persons, but none employed more than 3,500 individuals. The metropolitan area's diversification is thus marked by numerous medium and small manufacturers in varied lines. The manufacture of electrical tools and equipment slightly predominate all other types of production. Many of Springfield's factories manufacture products known the world over and spread the city's fame into many lands. Monsanto Chemical products, Bosch magnetos, Smith & Wesson revolvers, Springfield rifles, Milton Bradley games and toys, Breck hair preparations, Buxton billfolds and Absorbine Junior liniment are typical examples.

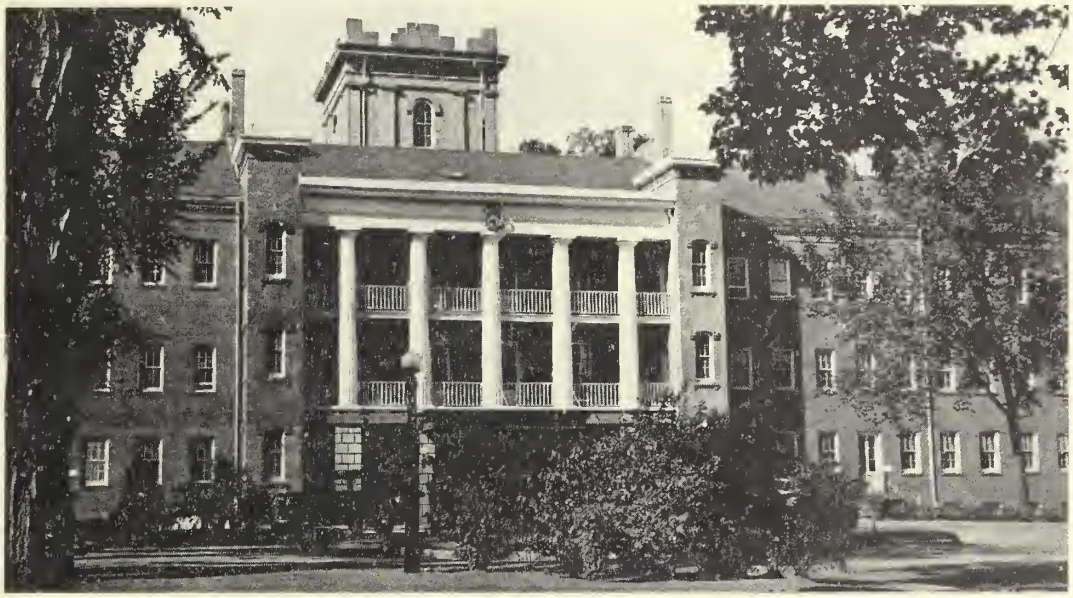
The city imports most of its basic raw materials and relies upon its ample supply of skilled labor and its native ingenuity to maintain its industrial position.

Freight rates for the shipment of raw materials and finished products permit local manufacturers to compete with manufacturers in other parts of the country.

Springfield is a growing city. Its rolling hills rising from the Connecticut River provide excellent residential sections for new homes. Residents in the "City of Homes" experience typical New England seasons with charming summers and cold winters.

THE SPRINGFIELD (U. S.) ARMORY is located on a rise commanding the city and the Connecticut River. It was established in 1789 by George Washington, and is the home of the famous Springfield and Garand rifles. Basic mechanical skills developed here by generations of metal workers have made Springfield a center of American craftmanship. The public may visit the grounds and buildings by arrangement with the Office of Public Information.

THE SMALL ARMS MUSEUM at the Springfield Armory was established in 1871 and is considered one of the finest of its type in the world. It has approximately 5,500 small arms ranging from the earliest inventions in the 14th century up to the modern arms of today.



Entrance to the Administration Building, Springfield (U. S.) Armory, whose site was selected by George Washington in 1789.

RETAIL TRADE

In 1959 Springfield had an estimated population of 171,443. Springfield retail sales for 1957 were estimated to be $268,749,000 and its retailers served a territory containing approximately 656,742. The two main department stores of Springfield do an annual business in excess of $26,000,000. The large proportion of merchandise carried in Springfield stores is of a quality nature.

WHOLESALE TRADE

Springfield is served north, east, south, and west by trunk line railroads and it has consequently become a well-known jobbing center. Stocks carried in Springfield cover practically every well-known product manufactured in the United States applicable to the northern climate. Springfield is the distributing center for all of New England for many items.

PLANNING

The City Planning Board's work is of outstanding value in its efforts to project and maintain the future development and growth of Springfield.

HOSPITALS

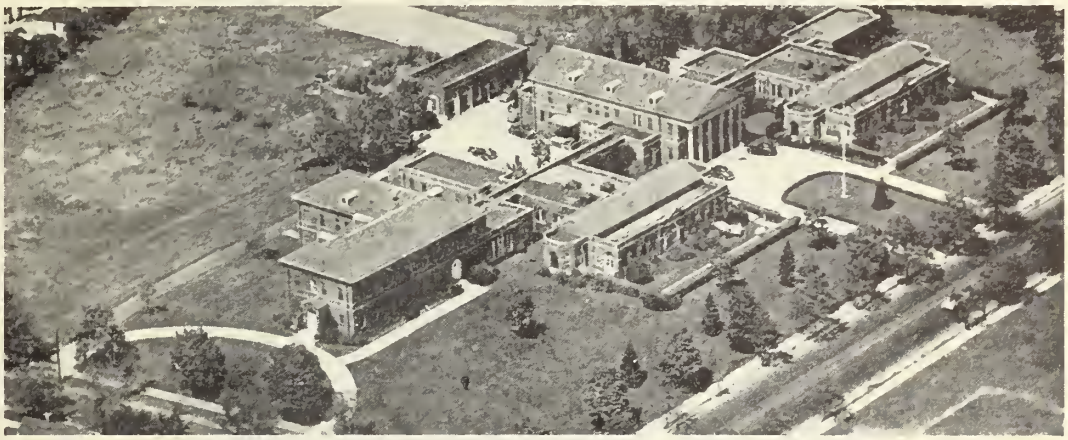
Hospital facilities are excellent with specialists in every medical field. The total amount of hospital beds in 1959 was 1828. Many of these hospital facilities are modern buildings and all have up-to-date equipment. The Wesson Maternity Hospital was opened in 1953, at a cost of approximately $2,000,000, and the Springfield Municipal Hospital was completed at approximately $9,000,000 in 1954. Springfield also has the Shriners' Hospital for Crippled Children. A considerable amount of new beds and facilities are constantly being added to augment the city's medical resources. New construction will add beds to Wesson, Wesson Maternity and Springfield Hospital. Springfield Municipal Hospital expects to reactivate 100 additional beds in 1960. Springfield also has outstanding nurse and technical training schools and excellent nursing homes and infirmaries.

The Springfield Hospital and the new Wesson Maternity Hospital. Springfield Hospital has facilities for 395 patients. Wesson Maternity now has 81 beds and 106 bassinettes. Other hospitals serving the city are Wesson Memorial Hospital (199 beds), Mercy Hospital (346 beds), Shriners' Hospital for Crippled Children (60 beds) and Springfield Municipal Hospital (596 beds).

SPRINGFIELD MUNICIPAL HOSPITAL

SPRINGFIELD MUNICIPAL HOSPITAL is a modern all-glass front hospital which meets the specifications of the United States Public Health Service. It has 600 beds and is operated by a Board of Trustees made up of two doctors from each of the three local general hospitals, five laymen, and Springfield's Commissioner of Public Health. On the staff are a full time house staff and rotating surgeons and specialists in all medical fields. It has all types of operating rooms and laboratories, a large auditorium, three chapels and many other facilities.

The Springfield Public Health Department has an outstanding record of achievement. Health and sanitation are vigilantly guarded and in Springfield's school system the children's health is given careful attention.



The Shriners' Hospital for Crippled Children in Springfield has a 60 bed capacity and serves the New England States together with central and eastern New York State. It is one of seventeen such institutions owned and operated by the Ancient Arabic Order Nobles of the Mystic Shrine.

Children under 14 years of age, regardless of race, creed or color receive excellent treatment at the hospital every year. In 1958, 259 children were admitted and 3,378 examinations and treatments were given in the out-patient department.

The Springfield unit has established an outstanding record since its opening in 1925. Since 1925, 9,973 children have been admitted for treatment and 9,080 patients have been examined and treated in the enlarged out-patient department that has a record of over 107,911 out-patient visits.

The hospital operates with a paid staff which includes doctors, nurses, nurses' aides, director, assistant director, brace maker, custodians, firemen, maids, kitchen and diningroom personnel, office personnel, X-ray technicians, physiotherapists, occupational therapist, recreational therapist and laundry personnel.

McGown Memorial Library at American International College built in 1949. Known as one of the most modern and well-equipped small college libraries in New England.

CHURCHES

OLD FIRST CHURCH ON COURT SQUARE stands on the site of the original meeting house built in 1645. The present chapel, designed after the manner of Christopher Wren, was built by Isaac Damon in 1819.

PARKS

Mountain Goats from Asia are seen at the Zoo in Forest Park.

Springfield's average of one acre of public parks for every 76 people is well above the nationally recognized standard of one acre for every 100 people. The city offers more than 2,000 acres of park land for its citizens. The largest unit of the city park system is Forest Park (767 acres), one of the foremost natural parks in the country. The park has an outstanding zoo, with a large collection of animals, including lions, deer, monkeys, and birds. It also offers more than 30 tennis courts, a stadium, a ball field, an archery range, a bowling green, shuffleboard courts, and boating and fishing on Porter Lake. There are many beautiful walks and there are numerous secluded tables for picnic areas. Flowers (roses, iris, mountain laurel, rhododendron) are also resplendent in season.

Other parks in the city are Blunt and South Branch Parks and there are smaller recreation areas and parks in the city which contain picnic groves, play equipment and nature trails.

MUNICIPAL BUILDING

City Officers

Mayor - Thomas J. O'Connor, Jr.; Clerk, George Fitzgerald.
City Clerk - William C. Sullivan; Assistant City Clerk, Rose A. Pollard.
City Collector - James J. Murphy.
City Treasurer - Francis E. J. Callaghan; Asst. Treas., A. Omer Moulton.

BOARD OF ALDERMEN

President - Arthur J. McKenna.
1st Ward - Arthur J. McKenna.
2d Ward - Daniel J. Manning.
3d Ward - Norman E. Cowles.
4th Ward - Frank F. DeCaro.
5th Ward - William A. Oates.
6th Ward - Philip J. Ryan.
7th Ward - Raymond F. Sullivan.
8th Ward - Gerald T. Teehan.
Clerk - William C. Sullivan.

COMMON COUNCILMEN

1st Ward - Michael Tancrati, John J. Connolly.
2d Ward - Thomas P. Collins, Frederick E. Hamre.
3d Ward - Mario A. Marinetto, James L. Grimaldi, Angelo Puppolo.
4th Ward - Frank J. Langone, Armando G. DeMauro, William A. Grant
5th Ward - Michael F. Lopenzo, W. Robert McDonald.
6th Ward - Lawrence L. Pomerantz, Frank H. Freidman.
7th Ward - Leonard R. Skvirsky, John P. O'Brien.
8th Ward - Thomas Costello, Jr., Julian P. Gaudreau.

CITY COUNCIL COMMITTEES, 1960

Charter Revision Committee: Aldermen Ryan, Manning and Teehan and Councilmen Pomerantz, Puppolo, Tancrati, Collins and Costello.
City Property Committee: Alderman Manning and Councilmen Hamre and Puppolo.
Claims, Board On: The Mayor, Alderman Cowles and Councilman Lopenzo.
Expressway: Alderman R. Sullivan, Councilman Pomerantz, Planning Board Engineer, Supt. of Sts., and Public Works Eng.
Finance: The Mayor, Alderman Teehan, Councilmen Lopenzo, McDonald and O'Brien.
Fire Department: Aldermen DeCaro, McKenna, Councilmen Collins, Langone and Skvirsky.
Indemnification: Alderman DeCaro, Councilmen Marinetto and Grant.
Independence Day: Aldermen McKenna and Oates, Councilmen Costello, Puppolo and Hamre.
Legislative Matters: Alderman Cowles and Sullivan, Councilmen Connolly, Skvirsky and Costello.
Off Street Parking Commission: Alderman Teehan, Councilmen Grimaldi, and Skvirsky, Robert S. Findlater, John M. Fitzgerald, Frederic W. Fuller, Jr., and Michael J. Houlihan.
Public Utilities Commission: Aldermen Oates and Cowles, Councilmen DiMauro, Gaudreau and Grant, the City Solicitor, Bolac S. Midura, Kenneth LeMere, James J. Sullivan.
Springfield School Building Commission: Alderman Oates and Councilman Freedman.
Supervisors of the Department of Streets and Engineering: The Mayor, Alderman Ryan and Councilman Langone.
Traffic Commission: Alderman Cowles, Councilmen O'Brien and Tancrati, Chairman of Planning Board, Chief of Police, Chief of Fire Dept., Supt. of Streets and Engineering or their representatives and the Traffic Engineer.
Zoning Law Revision: Alderman DeCaro, Councilmen Freedman and DiMauro, also, the City Solicitor, Building Commissioner, a member of the Planning Board and the Planning Board Engineer.

COMMITTEES OF THE BOARD OF ALDERMEN

Ordinances: Aldermen DeCaro, Oates and Ryan.
Enrollment: Aldermen Manning, Cowles and DeCaro.

Elections and Returns: Aldermen Sullivan, Teehan and McKenna.

COMMITTEES OF THE COMMON COUNCIL

Ordinances: Councilmen Freedman, Marinetto and Skvirsky.
Enrollment: Councilmen Gaudreau, Collins and Grimaldi.
Elections and Returns: Councilmen Hamre, McDonald and Grant.
Associate City Solicitor - John J. O'Connor; 1st Assts., Consmo Ansara, William L. Cohn; 2d Asst., John F. Hennessy.
City Auditor - Carson H. Cluley, office Municipal Building.
Deputy City Auditor - Arthur G. LaBine.
City Physician - Dr. Eugene G. Boss, Jr.
Streets and Engineering Department - Superintendent, James J. Sullivan; Deputy Superintendent of Streets, William H. Woodward; Deputy Superintendent of Sewers, Thomas P. Kennedy; Deputy Superintendent of Waste Disposal, Joseph F. Shea; Deputy Supt. Eng., Richard E. Dudley; Deputy Supt. Street Lighting, John Turner.
Election Commission - Levis J. St. Pierre, William Lieberman, Isadore Gelin and Donald C. Metzger.

BUILDING DEPARTMENT

Building Commissioner - Gordon Robertson; Deputy Commissioner, Charles G. Cook, Jr.; Building Inspectors, Harry C. Magee, Mario Pagnoni, Bernard Johanson, Silvio Galletti; Elevator Inspector, John C. Greenan; Inspectors of Wiring, Thomas M. Curran, Sr., James J. Harrington, Carl G. Berard and Herman G. Hilse; Inspectors of Plumbing and Gasfitting, Harold L. Gosselin, Peter J. Curto and Joseph G. L. Hetu.
Board of Appeal - Bernard B. Glazier, Henry E. Angers, Norman B. Keddy; Associate Members, Douglas R. Winnlman, John Brehaut, William Morris.
Assessors - Vernon E. Bradley, Michael P. Pessolano, Joseph B. Mahoney.
Board of Public Welfare - Kathlyn G. Smyrl, Rev. Charles E. Cobb, James Clarke, Nathan Gerber, Alice L. Guyer, Agent, Thomas McElhone.
Superintendent of Public Buildings - Horace B. Sornborger.
Water Commissioners - The Mayor, Louis J. Gentile and Arthur J. Stein.

MUNICIPAL WATER WORKS

The works are in charge of a board of Water Commissioners consisting of Louis J. Gentile, Chairman; Arthur J. Stein, Mayor Thomas O'Connor. Martin J. Shaugnessy, Superintendent; clerk and water registrar, John W. Costigan; Peter C. Karalekas, chief engineer. Office, (319) City Hall, Service building and Yard, 71 Colton. Office hours 8:15 a.m. to 4:45 p.m., Monday thru Friday. Telephone: (applications and information) RE 6-2711; (work and trouble calls, day or night) RE 2-5188. The supply of water is taken from the Little River watershed (situated principally in the towns of Blandford, Granville and Russell) and by means of the following storage structures:

	Capacity in Gallons.
Borden Brook Reservoir (impounding)	2,500,000,000
Cobble Mt. Reservoir (impounding)	22,829,000,000
Intake Reservoir (diverting)	40,600,000
Sedimentation Basin (before filtering)	38,700,000
Provin Mountain Reservoir (after filtering)	29,280,000
Total	25,437,580,000

The former supply from impounding reservoirs in Ludlow and Belchertown is also retained at present for towns of Ludlow and Wilbraham and for emergency uses, and with its storage capacity of 1,434,218,000 gallons make an aggregate capacity of 26,871,798,000 gallons.

Range of pressure on mains for day and night, as follows: Main street level, maximum, 147 pounds, average, 140 pounds. Hill section level maximum 87 pounds, average, 80 pounds.

The entire supply of city water to any premises is furnished by meter only and at meter rates; the necessary meters are installed by the water department at expense of the consumers for the initial cost of the meters and connections only.

The cost of ordinary care and repair of all meters is borne by the water works; the cost of unusual repairs (necessitated by freezing, hot water, etc.) due or attributable to any carelessness, or neglect on the part of the consumer, will be charged to the consumer or owner.

METER RATES

(Subject to all rules and regulations)

For each 100 cubic feet (748 gallons) of water as registered or estimated for each meter the rates shall be as follows:

Quarterly for each meter 1 to 5,000 cu. ft., .24 cents per 100 cu. ft., 5,000 to 60,000 cu. ft., .16 cents per 100 cu. ft.; all over 60,000 cu. ft., .09 cents per 100 cu. ft.

The minimum quarterly water charges for each meter will be as follows:

Meter Size Min. Quarterly Chg.		Meter Size Min. Quarterly Chg.	
½" and 5/8"-	$ 2.50	3"-	$ 25.00
3/4"-	3.00	4"-	50.00
1"-	5.00	6"-	100.00
1 1/4"-	8.00	8"-	150.00
1 1/2"-	9.00	10"-	200.00
2"-	15.00		

Fire Line Meter (All Sizes, 6.00)

Each quarterly period will be computed and charged for independently of any other quarterly period and the rates therefore shall be paid accordingly.

When a meter from any cause fails to register the consumption of water, the quantity shall be estimated and the charge made based upon the registration by the meter when in order or upon the registration for corresponding prior quarter or period.

Miscellaneous and Temporary Uses - In certain cases of miscellaneous and temporary uses of city water, where the quantity may be small, the charge for the same may be estimated instead of being shown by meter, at the discretion of the Water Registrar and the Supt.

The Water Registrar shall have the right to require an advance deposit as security for the payment of water bills, when he shall consider it for the interest of the city to do so; such deposit not to exceed a year's minimum rate for the property to be supplied or a reasonable estimate of the probable annual amount of such bills.

All bills due the City on account of the Municipal water works shall be payable at the office of the City Collector, Room 137, Municipal Building, Court and Pynchon streets within twenty days after the same are rendered and become due.

Inquiries and claims for correction should be made at the office of the Water Registrar, Room 319, Municipal Building.

Delinquent water bills are a lien on real estate.

PUBLIC SCHOOL SYSTEM

School Board - James H. Buckley, Jr., Chairman; At Large, Mary M. Lynch; Ward 1, Gilbert E. Barker; Ward 2, James H. Buckley, Jr.; Ward 3, John T. McDonough; Ward 4, Bernard H. Dunlevy; Ward 5, Edward C. Tremble, Jr.; Ward 6, Vincent DiMonaco; Ward 7, Edward W. Collins; Ward 8, Raymond J. Durocher; Thomas J. O'Connor, Mayor, ex-officio; Rena M. Card, Sec.

Supt. of Schools - Dr. T. Joseph McCook, Office 32 Spring. Assistant Superintendent, Alice B. Beal; Deputy Superintendent, M. Marcus Kiley; Asst. Supt., Joseph E. Buckley; Administrative Asst., Vincent P. Kramer.

The Sign Over Your Door

Is a good thing, isn't it? You would not think of doing business without it.

But it is only seen by those who pass your way.

If you could put a sign where everyone could see it would it interest you?

THE CITY DIRECTORY

Is where people look for you when they want to do business. You should make it easy for them to find you, by putting such information as a buyer wants, in the Directory properly indexed under all headings where he might look for you.

To be properly registered costs less than to be left out

Gas

THE MODERN INDUSTRIAL, COMMERCIAL and RESIDENTIAL FUEL

Operation of a modern plant or store requires top grade services — they are important to profits, employee morale and customer satisfaction. Gas is the modern fuel for heating, air conditioning, water heating and various special uses. Gas can make money and friends in the long run — that's the reason why so many businessmen are including Gas equipment in their remodeling or building plans.

Your home, the house where your family can live and enjoy modern comfort in safety is an important mark of a man's success. It is natural that Gas, the modern fuel, is preferred for so many uses. "Only Gas is better, faster, cheaper"—and service is free.

For business and home, get the facts about Gas, for . . .

- **Central heating** — clean, silent, service free
- **Air conditioning** — modern, efficient, simple
- **Incineration** — fast, clean, inexpensive
- **Refrigeration** — quiet, dependable, economical
- **Water heating** — low cost, fast, effective
- **Space heating** — portable or stationary, economical
- **Cooking** — fast, modern, dependable
- **Special uses** — call us for any special fuel problem you have—our engineering department is at your service to help you get the best answer

1960 — THE PRICE & LEE CO.'S

Manufacturing Department

SPRINGFIELD PRODUCTS are known the world over. The following pages are an index to the wide range and variety, the kind and quality of manufactured articles produced in this great and growing city. As a distributing center for Western New England and Eastern New York, Springfield offers exceptional advantages. A live, progressive Chamber of Commerce, a large market of skilled labor, and splendid railroad facilities — insure progress, prosperity and publicity to the City of Homes. When doing business with concerns advertised in the following pages, please mention the City Directory.

THE

LENOX FAMILY

OF

METAL CUTTING SAWS

Hack Saw Blades

Hackmaster — UNBREAKABLE HAND BLADES — made of Molybdenum High Speed Steel — backs toughened so as to give them flexibility, and teeth edges hardened for durability.

High Speed — Genuine 18-4-1 High Speed Steel Hand and Power Blades, possess excellent cutting properties, great wearing and abrasive resistance qualities.

Mo-Speed — Hand and Power sizes. Molybdenum High Speed Steel Hack Saws — have unusual toughness in relation to their hardness, keen cutting edges, high efficiency.

Standard BLADES, hand sizes, the ordinary grade of hack saws made better. Can be furnished in the solid all hard type or the hard edge flexible back style.

Band Saw Blades

Hard Edge Flexible Back — our special heat-treating method tempers only saw teeth, producing an unusually hard cutting edge — used for hard and soft steels and non-ferrous metals.

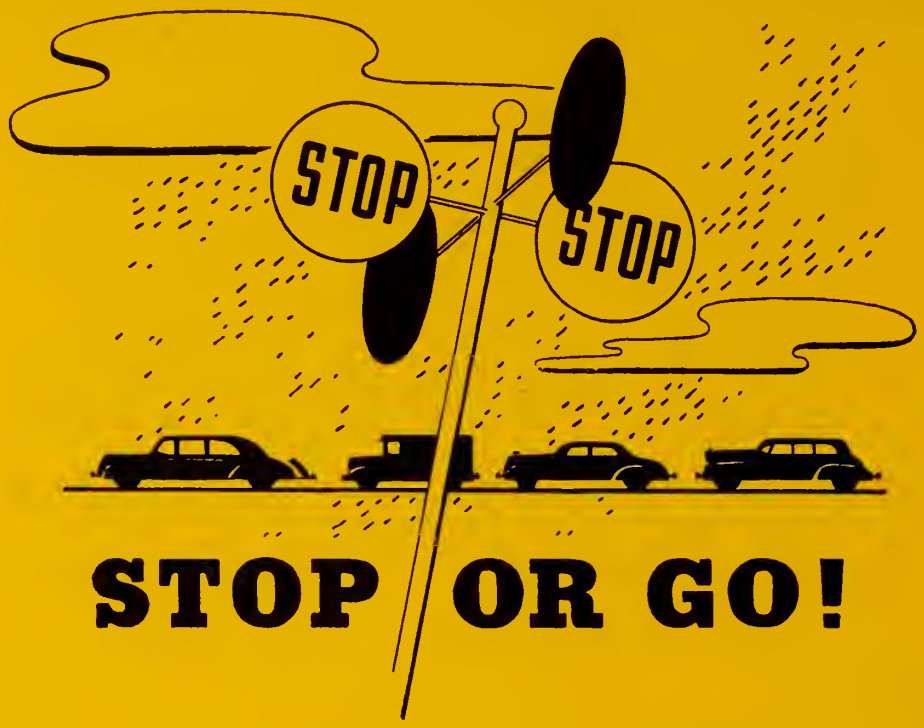
Diemaster Narrow Metal Band Saw Blades in 100 foot coils for use on Do-All, Grob, Tannewitz and other band sawing machines — for accurate contour work and straight cutting. Packaged in our Safety Box.

Skip-a-Tooth — file-hard teeth designed with extra long gullet — ideal for soft sticky metals, hard and soft woods, plastics, and like material.

Wood Cutting BAND SAWS — Saws which retain their keen edge longer — give more cuts per saw — cut straighter and last longer than the ordinary Wood Band Saw.

New Family Addition — Lenox Precision — Master Ground Flat Stock

AMERICAN SAW & MFG. CO. • Springfield, Mass. and East Longmeadow, Mass.



STOP OR GO!

Red means Stop—Green means Go. Your ad in the Directory is the Green signal to Go—and the results will be a Green light all along the way.

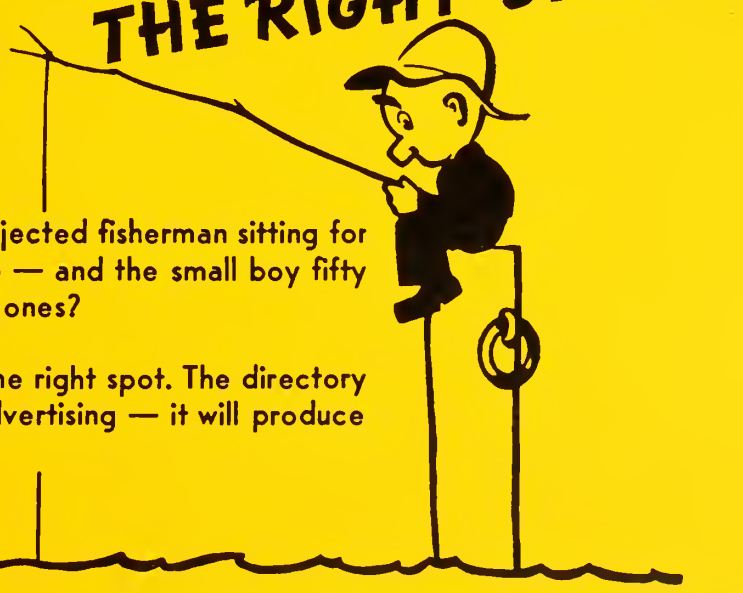
FISHING IN THE RIGHT SPOT ?



Have you ever noticed a dejected fisherman sitting for hours, without even a nibble — and the small boy fifty feet away pulling in the big ones?

It's just a case of fishing in the right spot. The directory is the right spot for your advertising — it will produce the results — the big ones.

use your Directory - the RIGHT SPOT

Names Appearing In Black Letters

IN THIS DIRECTORY are the names of those people who ACCOMPLISH THINGS and are entitled to favorable consideration, if for no other reason than their public-spirited support of measures which make for progress. They represent that ENERGY AND PUSH so essential to the commercial prosperity of the City, and in dealing with them no mistake will be made. The publishers are honored in thus making them better known to the public.

THE SHORTEST DISTANCE BETWEEN TWO POINTS IS A STRAIGHT LINE

Your City Directory is the Straight Line medium to bring Your Merchandise and Your Services direct to the buyer.

• • •

There is no running around in circles before finding the commodity or service the buyer wants to purchase.

• • •

The Buyers Guide and the detailed listings in your City Directory form the STRAIGHT LINE to your needs.

The Sign Over Your Door

Is a good thing, isn't it? You would not think of doing business without it.

But it is only seen by those who pass your way.

If you could put a sign where everyone could see it would it interest you?

THE CITY DIRECTORY

Is where people look for you when they want to do business. You should make it easy for them to find you, by putting such information as a buyer wants, in the Directory properly indexed under all headings where he might look for you.

To be properly registered costs less than to be left out

"NEW LOOK"

ALL ELECTRIC MODEL FOOD COMMISSARY in New England in the automatic food industry. Foods are prepared in the HOW-DEE central kitchen—under strict sanitary and quality controls—and are rushed to your plant or office, fresh and pure, in sealed containers.

A fleet of over 90 vehicles assures fast, efficient servicing of your HOW-DEE installation. Foods are delivered direct to your plant in sanitary sealed cartons, by trained uniformed personnel, bonded for your protection.

Large or small, HOW-DEE provides automatic trouble-free, cost-free food service to your employees 24 hours a day. Above is a typical, fully automatic, cafeteria, serving hot and cold food and beverages.

They LOOK FOR THE ANSWER IN THEIR DIRECTORY

Where can I buy it—where can I get the information? These and many other questions are answered in the Directory—and it's so easy.

Just turn to the proper alphabetical and classified listing and you have the answer.

use your Directory

THE SHORTEST DISTANCE BETWEEN TWO POINTS IS

A STRAIGHT LINE

Your City Directory is the Straight Line medium to bring Your Merchandise and Your Services direct to the buyer.

• • •

There is no running around in circles before finding the commodity or service the buyer wants to purchase.

• • •

The Buyers Guide and the detailed listings in your City Directory form the STRAIGHT LINE to your needs.

High Hurdles. . . .

In business as well as in sports there are High Hurdles to overcome. Your ad in the Directory, where multitudes will see it, will help to overcome many of the business hurdles.

ALPHABETICAL DIRECTORY

ITS PRACTICAL USE IS TO GIVE

Information—as to the complete name of each person over nineteen years of age, or any person employed.

Information—as to the occupation of each person over nineteen years of age, or any person employed.

Information—as to the address of each person over nineteen years of age, or any person employed.

Information—as to the nature and activities of firms and partnerships.

Information—as to names of each member of firms and partnerships.

Information—as to the names of corporations, their nature and activity.

Information—as to the correct spelling of each and every name.

Information—as to whether a person is a "householder" (h) or "resides with" (r)

Information—as to what is the wife's name of each married man.

Information—as to what was the husband's name of each widow.

Information—as to the location of removals from city.

Information—as to the age and date of death of persons appearing in the preceding directory.

Information—as to those seeking prominence and prestige by display type.

— Finally —

Our Ideal

"It it has a name and location — it's here"
